

Navigation of Course on Mobile app

***Disclaimer:** The Moodle mobile app is programmed to deliver the same superlative experience on mobile phones and tablets. However, mobile phone manufacture, while largely along standard specifications, can vary from make to make. You therefore will find some variance in your user experience as compared to accessing the courseware on a workstation or someone else's mobile. This is unavoidable.*

1.	Go to https://tjsblms.trainingcentral.co.in from browser and click on 'Log in'.	 A screenshot of a mobile browser displaying the login page for the TJSB Learning Portal. The address bar shows 'lms.trainingcentral.co.in'. A red 'Log in' button is visible in the top right corner. The main content area contains a welcome message: 'Welcome to TJSB Learning Portal. This portal hosts a variety of mandatory courses as per RBI guidelines for NBFCs. SIGN IN - using the login details communicated to you by your HR Department to access the courses assigned to you. KINDLY COMPLETE - the assigned courses shared by your HR Department within the mentioned timeline. Happy Learning! For any query, mail at techsupport@trainingcentral.co.in'.
2	Enter following details: Username: <employee Number> Password: Tjsb@123 and click on 'Log in'.	 A screenshot of the mobile browser showing the login form. The title is 'Log in to TJSB Learning Portal'. There are two input fields: 'Username' and 'Password'. Below the fields is a red 'Log in' button. There are also links for 'Lost password?' and a 'Cookies notice' button.

<p>3</p>	<p>After successful login, it will ask you to change your password. Please change your password and log out from LMS.</p>	
<p>4</p>	<p>Now, you are on the home page. Scroll down, here you will find the option 'Moodle_App_V4.0.1'. Click on it to download the app. Note that you might get a warning message while downloading the app. Please make the necessary setting changes to download the app file. Once the download is completed, go to Download folder in your mobile device and find 'Moodle_App_V4.0.1.apk' file. Click on it to install the app.</p>	
<p>5</p>	<p>After successfully installing of app, it will display the 'Moodle' app icon and name on your mobile home screen. Click on it to open the app.</p>	

6	<p>Now, select 'I'M A LEARNER' option.</p>	 <p>The screenshot shows the Moodle app's welcome screen. At the top, it says 'Welcome to the Moodle App!'. Below this, there are two buttons: 'I'M A LEARNER' and 'I'M AN EDUCATOR'. The time is 15:31 and the battery is at 85%.</p>
7	<p>Enter the URL https://tjsblms.trainingcentral.co.in. Then enter your username and changed password and click on 'Log In'.</p>	 <p>The first screenshot shows the 'Connect to Moodle' screen with the Moodle logo and a 'Your site' field containing 'https://campus.example.edu'. There is a 'SCAN QR CODE' button and a 'Need help?' link. The second screenshot shows the 'Log in' screen for 'TJSB Learning Portal' with a 'Username' field, a 'Password' field with an eye icon, and a 'LOG IN' button. A link for 'Forgotten your username or password?' is also visible. The time is 15:35 and 15:33, and the battery is at 87% and 86% respectively.</p>
8	<p>You are now in the app. Click on 'My Course'. This will display the list of courses assigned to you. Click on the course which you want to start learning.</p>	 <p>The screenshot shows the 'My courses' page in the Moodle app. It features a search bar and a list of courses. One course, 'Anti Money Laundering', is highlighted with a progress bar showing '0%'. The page includes a welcome message and instructions for signing in. The time is 15:38 and 15:43, and the battery is at 90% and 94% respectively.</p>

<p>9</p>	<p>All the activities will be displayed here (Module, Test, Assignment, etc.). Click on Activity Name (Module) -> Click on 'Enter'. It will take some time to download the package and after that activity will open automatically.</p>	
<p>10</p>	<p>You can use “>” for next slide, “<” for previous slide and “ ” for pause. The blue bar shows the progress of each slide. You can't go to the next slide until this bar reaches the end.</p>	
<p>11</p>	<p>Once you complete the Module, you will be able to access the Test. Complete the test minimum passing is 50% to access Certificate.</p>	

12

After, completing test you will be able to access Certificate.

To access your certificate, login to the LMS via browser and download the certificate.
